## BCYC Objectives

We want to have a busy, friendly, vibrant sustainable club for both dinghy sailors and windsurfers, with safe, enjoyable, sailing for both casual and racing sailors, supported by an affordable and supportive training section. We want to continue to be one of the top racing clubs in the country.

## Strategy for Recovery

Encourage members to sail more whether casual or racing.

Give members value for money

- Keep subscriptions down
- Hold Open meetings for club fleets
- Keep number of duties to minimum while maintaining number sailing days
- Have adequate duty crew on race days

Support sailing with training section including hosting external training groups

- Adult training (dinghies)
- Junior training (dinghies)
- Adult training (windsurfers)
- Junior training (windsurfers)
- Race Coaching
- Power Boat (Club, 2 and Safety Boat)
- First Aid
- Instructor training (subsidised for members who teach at BCYC)
- RYA On-Board

Recruit new members more actively

- Advertise locally
- Make new members welcome so that they feel part of club as quickly as possible
- Convert trainees to members
