

Enterprise Fleet News – May 2010

Hello again Enterprise Fleet members. I'm Bryan Smith, sailing E22504 Flic en Flac,

I am trying to get as many Ent's sailing as possible, and organise some training. It has always been a joke that we have so many Ent's in the shed; now summer is here; no excuses!

I am available down the club Wednesday afternoons and evenings through the summer if you want to sail, and Sundays. I will be happy to help with any Enterprise rigging and tuning problems and general advice.

The Severnside Areas meeting on 17/18th April was postponed due to lack of wind. Our thanks to the support Handicap Fleet for their efforts. I hope to re-instate the meeting as a one day Sunday event integrated into club sailing later in the year.

We have also been contacted by the Enterprise Association with a view to holding the Inlands at BCYC in May 2011. The request is being processed though the Sailing Sub and General committee, and I am hopeful that we will get approval.

News now from Rod & Sally Lyons, who we have been glad to see down the club after Rod's hospitalisation. I enclose Sally's email:-

Just to update you briefly, Rod is now seven months on from his bone marrow transplant. It has been a very gruelling process and he has had a couple of setbacks with a couple of stays back in hospital. The latest one was quite recent and meant two and a half weeks back in but he is out and about again now and we are trying to get back to normal (whatever that is!).

We have our beautiful grand-daughter in London to lighten our lives and now the added bonus of the gorgeous twins, Poppy and Jacob that our younger son and daughter-in-law presented us with in March.

We have been down to the sailing club several times and are hoping to be back on the water at some point. That is something Rod is definitely looking forward to - especially when the weather is a little warmer. Thank you for your concern and we hope you and Viv are keeping well and we may see you all again soon.

I have also had an email from Al Galloway, you have been warned!

Hi Bryan

Today is my first day back at work – the Dr told me that I should not do any impact sports until June so I hope to be back on the water mid June, so you will have ample time to build your points up before the going gets tough

See you on the water, Al

The Enterprise Fleet has trophies for a Wednesday Evening series scored specifically for the Enterprises i.e. a DNF will only cost you about 9 instead of 49! There are about 23 evenings this year, with 12 races to count so you can compete without coming every Wednesday if you have commitments. Remember it's a short season, the last Wednesday Evening race is September 1st.

The results so far are on the next page, but we have a long way to go – come and join in!

Finally here are also some sailing shots taken last year. Photos taken by Stewart Glayzer.

Enterprises having fun

Enterprise Wednesday Evenings 2010

Sailed: 6, Discards: 1, To count: 5, Entries: 10, Scoring system: Appendix A

Rank	SailNo	HelmName	CrewName	R1	R2	R3	R4	R5	R6	Total	Nett
